

Introduction to Hand & Power Tools for Home DIY with Andrew Fabris

Duration: This is a one-day course. It starts at 9am and finishes at 5pm with 1/2 hr for lunch

Fees: \$400 incl. gst (includes all tools & materials)

Payment: Full fee payment is required for all courses with your application.

Description:

Unlock Your Home DIY potential with our Introduction to Hand & Power Tools Course! This course is for anyone wanting to enhance their DIY skills and beginners eager to learn the fundamentals of hand and power tools.

Join Andrew Fabris, “Master Carpenter”, for this one-day hands-on course with a focus on Home DIY. You will be guided through the proper and safe use of various Hand Tools, including, chisels, saws and hammers and Power Tools, including circular saw, multi-tool, orbital & belt sanders, drills, impact drivers and trim router.

Our goal is to equip you with the skills and confidence needed to dive into your Home DIY projects and to tackle tasks that pop up around the home. Bring your questions and Andrew will guide you on the right course of action!!

We provide the eye and ear protection and disposable dust masks – but please bring your own if you have them. Please wear sensible footwear that completely covers the foot.

Payment Information

Full fee payment is required for all courses with your application.

Confirmation: You will receive a confirmation email of your enrolment along with a paid in full tax invoice.

Cancellation: Course places are limited. If a course has to be cancelled due to insufficient enrolments, we will notify you and issue you with a full refund or arrange a transfer to another class.
