Description:

Don't miss this rare opportunity to learn from French-trained Laura Inguaggiato. She is only in Australia for a few more months. Prepare to be inspired and captivated by the beauty of Straw Marquetry.

Join us for this two-day hands-on Introduction to Straw Marquetry course. This course is suitable for beginners and will run with a maximum of 5 students. Laura will introduce you to this timeless craft and with her expert guidance you will learn the step-by-step techniques to create geometric patterns using this unique natural medium.

By the end of the course, you will have created a 2-sided 200mm x 200mm mdf square which you can use to display or turn into a box lid, etc. You can check out some of Laura's work here on her [Instagram](#) and website [Lapin Furniture](#).

Day 1

- An explanation of Straw Marquetry – how it all started and it's journey through history
- Preparing the coloured straw – how to split and flatten
- Drawing the design on the substrate
- Cut and glue the straw
- Do one side of the substrate – 4 different geometric patterns

Day 2

- Work on a larger geometric design on the other side
- Tips and trouble shooting.

All tools and materials supplied | Detailed notes will be supplied at the course | No previous experience required.
