

Wood Finishing (An Introduction to Timber Finishing using Hard Wax Oils) - 1 day course with Richard Lloyd

Duration: This is a one-day course – 9.30am to 3.30pm (1/2 lunch)

Fees: \$275 incl. gst (includes all materials)

Payment: Full fee payment is required for all courses with your application.

Description:

Join Richard Lloyd from MCM Restoration Man (@mcm.rm) for this one-day Wood Finishing course on the use of VOC Free Hard Wax Oils and Natural Timber Oils.

Richard is a skilled restorer and finisher of mid-century furniture. With a background in automotive refinishing and experience working at Maton Guitars, he has honed his expertise in restoration and conservation.

He uses only environmentally friendly and VOC/Chemical free hard wax oils and natural timber oils for a natural, non-toxic and food safe finish.

During the course you will be introduced to Timber Finishing using Hard Wax Oils & Natural Timber Oils – understanding the different types and brands, the benefits of using them, preparation and surface treatment, application techniques, finishing touches and maintenance of timber surfaces treated with hard wax oils and natural timber oils.

You will have the opportunity to practice applying these finishes using various techniques.

By the end of the course you will have a solid understanding of timber finishing using hard wax oils and natural timber oils and will be equipped with the knowledge and skills necessary to successfully apply these finishes to timber surfaces, enhancing their natural beauty.
